- Receipts from customers in 3Q increased 89% to \$2.1 million vs. prior comparable period

PERTH, AUSTRALIA - 30 April 2014: SUDA LTD (ASX: SUD) today released its Appendix 4C quarterly report for the consolidated Group for the third quarter of FY2014.

The receipts from customers increased to \$2.1 million in the third quarter compared to \$1.1 million in the prior comparable period (PCP), an increase of 89%. This growth was driven by the continued strong performance of SUDA's fully owned subsidiary, Westcoast Surgical and Medical Supplies (Westcoast). The net operating cash loss for the Group in the third quarter was \$0.4 million compared to \$0.3 million in the PCP and the Company ended the period with net cash of \$5.1 million.

Westcoast has five business units: Aged Care, Hospitals, Allied Health, Mining and as a preferred supplier to a Federal Government funded organisation.

The revenue stream from the Federal Government funded organisation is seasonal with higher demand in the dry season than in the wet season, which ranges from December to May. The other business segments generated aggregate revenue of \$1.22 million, an increase of 17% from the PCP.

Westcoast launched the Lille branded continence management products in April 2014, which is expected to provide a further boost for the Aged Care business. In addition, the roll out of Westcoast's novel wound healing gauze, HemoStyp®, is progressing with the prospect of new revenue streams from the Defense Forces; the State and Federal Police; the ambulance services; hospitals and other WA-based and national groups.
