

ASX Release

SUDA LTD: APPENDIX 4C FOR THIRD QUARTER FY2017

PERTH, AUSTRALIA – 19 April 2017: SUDA LTD (ASX: SUD), a leader in oro-mucosal drug delivery, today released its Appendix 4C for the consolidated Group for the third quarter of FY2017.

Receipts from customers for the period were \$1.8 million, an increase of 15% on the corresponding quarter in FY2016.

SUDA's subsidiary company, Westcoast Surgical & Medical Supplies, has continued to grow this financial year. Third quarter revenue at Westcoast increased by approximately 20% compared to the second quarter.

Operating and manufacturing costs in the 3-month period were \$1.6 million, an increase of approximately 40% from the second quarter. The increase in costs was largely attributable to higher cost of sales in relation to the growth of Westcoast's business and to legal costs associated with the HC Berlin Pharma matter as previously reported.

During the third quarter, SUDA received a R&D Tax Incentive refund of \$0.86 million. Overall for the period, net cash from operating activities was \$0.15 million. The cash position as at 31 March 2017 was \$1.1 million. Following the end of the period, the Company has rolled over the majority of its Convertible Notes and received commitments for additional Convertible Note funding as announced on 3 April 2017 and received commitments for a placement of \$1.5 million as announced on 7 April 2017.

SUDA's CEO, Mr Stephen Carter, commented: "Our subsidiary Westcoast continues to expand and grow. We have also made good progress with our core activities in the third quarter, including the signing of a feasibility agreement with Pfizer Consumer Healthcare and the completion of the Marketing Authorisation Application for ArTiMist®. I look forward to updating shareholders with more news during this busy and exciting period for SUDA."

NOTES TO EDITORS:

About SUDA LTD

SUDA LTD (ASX: SUD) is a drug delivery company focused on oro-mucosal administration, headquartered in Perth, Western Australia. The Company is developing low-risk oral sprays using its OroMist® technology to reformulate existing pharmaceuticals. The many potential benefits of administering drugs through the oral mucosa (ie: cheeks, tongue, gums and palate) include ease of use, lower dosage, reduced side effects and faster response time. SUDA's product pipeline includes Zolpimist™, a first-in-class oral spray of zolpidem for insomnia. Zolpimist™ is marketed in the USA and SUDA has rights to the product outside of North America. SUDA's most advanced development-stage product, ArTiMist®, is a novel sublingual malaria treatment for children. In a Phase III trial, ArTiMist® was shown to be superior to intravenous quinine. Other products in development include oral sprays for the treatment of migraine headache, chemotherapy-induced nausea and vomiting, erectile dysfunction and pre-procedural anxiety. Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. The Company received the R&D Tax Incentive totalling \$856,656 on 15 February 2017.
5. The Company has rolled over its convertible notes as announced on 3 April 2017 and received commitments for a placement of \$1.5m in April 2017 as announced on 7 April 2017.
